

## ACW'S 50th Anniversary

### LOGO DEBUT

To start celebrating ACW's incredible 50 years of service, we created a few special logos and slogans. We will start using our new logos and slogans now and all the way through our 50th Anniversary - October 2024 - until our 50th Anniversary year is completed. More information to come on ACW's 50th Anniversary celebration in October 2024.

## RECOGNITION

### Los Angeles Conservancy 2024 Preservation Awards

#### ACW is one of the recipients!

ACW was chosen because we serve women in need while simultaneously care for our majestic turn of the century buildings. Current clients, like those since we opened our doors in 1974, help maintain the buildings and grounds as part of their recovery process. The LA conservancy jury said, "This project celebrates 50-years of a path-breaking treatment program for women located in adaptively reused historic homes, where storytelling and community building are embedded into its preservation efforts - demonstrating the power of historic preservation to support crucial community services."

Special thanks to ACW friend and Historic Architectural Researcher Lindsay Mulcahy, MA, who eloquently wrote and submitted a proposal for our buildings to be considered for this prestigious award.

#### BEAUTIFYING ACW

ACW's McMillen Family Foundation Miracle House deck and railings are being secured and restored to ensure safety and maintain the integrity and beauty of our historic home. ACW hired Spectra, a company known for their work on restoring historic buildings. Some photos of their meticulous work are shown below. Please see ACW's social media for more photos and videos of the restoration process.
