

# INTRODUCTION

## RECOVERY MONTH

This month was jam packed with incredible beautification projects to keep our houses majestic. We had a visit from five amazing doctors-- including Dr. Lisa who sits on our board of directors they spoke to the ladies about building their professional futures to fulfill their destiny, and also brought them lots of beautiful clothing donations (more on this on our social media). We marched, danced, created a wonderful banner at this year's Al-Impics. We were also recognized by Councilwoman Hernandez for Recovery month on September 10th.

## TRANSFORMING OUR HOMES

### WE ARE UNDER A NEW ROOF

The roof our of McMillen Family Foundation Snyder House underwent a beautiful transformation - we have a new roof! This renovation is one of many steps taken to ensure our houses safe. More renovations underway on the 3rd floor. Stay tuned for more details on our social media.

## STRIDE FOR RECOVERY

### SERVING: WHITE ON TRACK!

Suited up in their white shorts, brand new 50th Anniversary limited edition ACW t-shirt, white sneakers, gold scarf, and white and gold caps - our ladies marched down the Al-Impics track. They had an amazing time showing off their dance to a "I'm a Survivor," original score and lyrics by our very own Ms. Rose (residential counselor). Bonus: we got to meet Danny Trejo aka. Machete.

## SEXUAL ASSAULT AWARENESS

### SPECIAL GUESTS & HONORARY CHAIR

Our Miracle House residents enjoyed a screening of *AUTHENTICS*, a film about addiction and recovery. They gathered in their pajamas and had the opportunity to reflect on their personal journeys after the film. Thank you to the participants who joined us online for the virtual screening. We hope our film nights serve as a learning opportunity and a healthy alternative for a Friday or Saturday night. Subscribe to our emailing list to stay up to date on our future events.
